

GRANGE FARM PRIMARY SCHOOL HOME-SCHOOL AGREEMENT

Working in Partnership

This document represents an agreement reached between the school and:-

(Parent/Carer's name)

and their child:-

(Child's name)

The agreement sets out the aims and values of the school and what you can expect from us whilst your child is in our care. It indicates what we expect from parents or carers and from the children themselves. By working together we can achieve an effective partnership that will support the education of your child.

Our Aims and Values

We aim to provide the best possible education for our children so that they work towards their full potential in a safe, happy and secure environment. We believe that children will progress academically, emotionally and socially in an environment where they gain high self-esteem and value the contributions of those around them.

The Governors and staff have implemented a number of school policies which help us to achieve these aims and values. They include policies covering matters such as behaviour, anti-bullying, homework, attendance, health and safety, equal opportunities and the protection of your children from risk. There is also a school prospectus and website where you can find out more about our school.

Working together ensures the best for your child.
