Dear Parents,

It has been a busy week! As well as all the usual hard work going on across school, Year 2 have visited Warwick Castle, we've celebrated National Poetry Day, some student chemists visited Year 4 and, of course, Wednesday saw a visit from Ofsted.

We are not allowed to share any feedback from our inspection yet but I do want to say a large thank-you to children, staff, governors and parents for the hard work, positive attitudes and community spirit that shone throughout.

Have a fantastic weekend,

Mr Ledgard

They turned their hands to Biology too, completing their experiment on the effects that different liquids have on teeth. Not for the faint-hearted!
