Dear Parents/Carers,

It's a short newsletter today at the end of what has been an eventful week. I want to say a massive thank-you to children, parents, carers and staff who have been absolutely superb in their kindness, understanding and resilience. Unfortunately the school building is physically closed to many at the moment but Grange Farm is much more than just a building and that has been very clear this week!

More government guidance regarding approaches for schools in this lockdown has now arrived and we are reviewing this as quickly as we can—we will let you know of any key changes next week.

Have a safe and happy weekend,

Mr Ledgard

You can always see the most up to date information regarding the measures we have in place by viewing our Covid-19 Parent Handbook which is available on the website ([click here](#)).

Remember that you can always get reliable information from the NHS website ([here](#)) and the government's own webpages about the Coronavirus ([here](#)).

Proud People!

A big well done to lots of our Year 3s who finished the Autumn term with success in their times tables tests.

1L celebrated doing some amazing work about London just before Christmas and Kia (2L) is now the proud owner of a Blue Peter badge!

Tech Support

Remote education can bring a range of problems in terms of technology. Let us know if you are struggling as we may be able to help with devices and also if you are having to rely on 4G phone data to access Google Classroom.

School Health Team

Despite being in lockdown, the School Nursing Team are still there with ideas and support! You can find their latest newsletter, website link and contact information on our school website by [clicking here](#).

Jumpers

It's cold! It is a very good idea for children to be bringing and wearing extra layers at the moment.

Food Support

If anyone finds their circumstances have changed, you can apply for Free School Meals at any point. All the information can be found on our website by following [this link](#).

Food banks are also continuing to operate in Coventry during this time. If you need help, please let us know and we can help get access to this support for families.

We need your votes!

We are currently in a competition being run by Higgidy Family Kitchen where we could win £5000 for an exciting growing project at Grange Farm. But we need your help! [Please visit this link](#), cast your vote and also share this with everyone you know!
