The screenshot shows a mobile app interface for an assignment. At the top left, there is a hamburger menu icon, a file size of '6 MB', and the year '2020 - 2021'. The main heading is '2/12/20 English Lesson' with a document icon, followed by 'Melanie Brown 10:03 AM' and '100 points'. A due date of 'Due 9:00 PM' is shown on the right. Below the heading is a horizontal line, followed by instructions: 'Today, you will be writing definitions for these words that I have taken from The Nowhere Emporium. Red & Amber Group - You need to write a definition of the word and then use the word in a sentence about The Nowhere Emporium story. Green Group - You need to write a definition of the word and then use the word in a sentence about The Nowhere Emporium story. You must then write a list of words that are in that word family. Words to define: trace, erupting, pronounced, fissures, spark, subsided, untamed, swilling, justify'. At the bottom, there is a file upload area showing 'Lesson 3.pptx PowerPoint' with a thumbnail of a slide titled 'Wednesday 2nd December' and a learning objective: 'I.O: To use a dictionary to define words and expand vocabulary'. On the right side, there is a 'Your work' section with a '+ Add or create' button and a 'Mark as done' button. Below that is a 'Private comments' section with a text input field 'Add private comment...' and a send arrow button.
