Below are just a few of the signs that your child may be struggling with their hearing:

⇒ They do not reply when you call them

⇒ They talk very loudly

⇒ They ask you to repeat yourself a lot or respond differently/inappropriately to what you have asked

⇒ They increase the volume on TV/devices etc.

⇒ Appear to daydream a lot

⇒ Are slow to learn to talk/unclear when talking

If you have concerns about your older child/ren's hearing, you can call the Audiology department direct on 0300 200 0011, where you can book an appointment for them.
